Join Energy Commission's new group

The Melrose Energy Commission invites Melrose residents to join the Energy Efficiency and Sustainable Living Group, a series of four meetings in 45 days to learn and take action in your home to "Save Energy ... Save Money ... Save the Planet." An introductory session will be held on **Wednesday, April 22** at 7:30 p.m. at the Melrose Public Library

Modeled on the Massachusetts Climate Action Network's Low Carbon Living program,

small groups of households will meet four times to learn and compare notes on lowering their carbon footprint. Changes can be as simple as turning off lights when leaving a room, using less water in your garden or as extensive as installing a renewable energy system. The only cost for joining is a \$10 workbook.

For more information, e-mail melroseenergy@yahoo.com or call 781-662-2616.
