NOTICE OF FILING AND PUBLIC HEARING

D.P.U. 18-59

August 13, 2018

Petition of the City of Melrose for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c. 164, § 134.

On June 29, 2018, the City of Melrose (“City”) filed a request with the Department of Public Utilities (“Department”) for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program. Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the municipal aggregation program unless they chose to opt-out, in which case they would continue to receive basic service provided by their electric distribution company, Massachusetts Electric Company d/b/a National Grid. The Department docketed this petition as D.P.U. 18-59.

The City has retained Good Energy, L.P. (“Good Energy”) to serve as its agent and consultant in this proceeding and to assist in the implementation of the municipal aggregation program. The City seeks a waiver on its own behalf and on behalf of the competitive electric supplier(s) chosen for the municipal aggregation program, of certain information disclosure requirements contained in G.L. c. 164, § 1F(6) and 220 CMR 11.06(4)(c).

The Department approved the City’s original municipal aggregation plan on September 29, 2015. City of Melrose, D.P.U. 15-92 (2015). The program operated from January 2016 through May 8, 2017, at which time the City ended the program and returned participants to basic service. The City now seeks approval of a new municipal aggregation plan.
