The CITY OF MELROSE BUILDING DEPARTMENT requires additional information for your Building Permit Application:

Address: 59 RIDGEWOOD LN

Project Category: **Shed**

Application Number: **BPA-24-47**

Additional Info Required: 1/16/2024At

The plot plan you provided does not indicate where the location of the shed is to be installed. It also needs to show that it meets all dimensional setback requirements, in that zoning is 4 feet on the side in the rear.

1/19/24AT

After reviewing your plot plan, the shed location does not comply with zoning. It needs to be 4 feet away from the side yard. Please update the plot plan to reflect that change and resubmit.

If you are a registered SimpliCITY Permits user you can **Click Here To Provide Requested Additional Information.**

If you are NOT a registered SimpliCITY Permits user, please call or email the CITY OF MELROSE BUILDING DEPARTMENT with the requested additional information. Be sure to reference the application number above with all correspondence.

Thank you
