

JP Cardillo began open cut sewer and drainage pipe repairs on streets that are planned for paving this year. They will be out working for the next 2-3 weeks in various locations around the City. They will be doing some repairs on streets NOT scheduled for paving, based on locations identified during CCTV as critical repairs. The list of streets they will be on includes:

- Appleton/Irving
- Grove St.
- Sewall Woods
- Arlington
- Cutter
- Leonard
- Slayton
