

# Important Public Notice

## Vinton Street

---

Dear Vinton Street Resident:

The Massachusetts Water Resources Authority is going to tentatively complete the overlay paving of Vinton Street curb to curb from Lynn Fells Parkway northerly 600 linear feet to House # 215 on:

**Friday June 10th\***

\*weather dependent

During the paving operation, temporary access to driveways along Vinton Street will be restricted for a period of several hours until the new pavement can support vehicles. As a result, we respectfully request homeowners on Vinton Street who require access at all times to park their vehicle(s) further up Vinton Street past House No 215.

Vinton Street will be closed to vehicular traffic during the paving operation. Police details will be on site to detour traffic and for pedestrian safety. Construction work hours will be Monday through Friday from 7:00am to 4:00pm.

We apologize for any inconvenience encountered as a result of this operation. If you have any questions please do not hesitate to call or email us. For additional information please visit [www.mwra.com](http://www.mwra.com).
