Add new Section 235-73.3, Registered Marijuana Dispensaries:

A. Purpose

(1) To allow for the establishment of Registered Marijuana Dispensaries (RMD) as they are authorized pursuant to state regulations set forth at 105 CMR 725.000, Implementation of an Act for the Humanitarian Medical Use of Marijuana.

(2) To minimize the adverse impacts of RMDs on adjacent properties, residential neighborhoods, schools and other places where children congregate, and other land uses potentially incompatible with said facilities.

(3) To regulate the siting, design, placement, security, safety, monitoring, modification, and removal of RMDs.

B. Applicability

(1) The provisions of this section shall be applicable to all RMDs, unless it meets the requirements for an agricultural exemption under MGL c. 40A, §3.

(2) Nothing in this section shall be construed to supersede any state or federal laws or regulations governing the sale and distribution of narcotic drugs.

C. General Requirements and Conditions for all Registered Marijuana Dispensaries

(1) Location and Operation

a. An RMD shall be located in, and conduct all operations within, an enclosed, permanent building.

b. An RMD shall be limited to 5,000 square feet of gross floor area.

c. All publicly accessible entrances shall be visible from a public way.

d. Drive-through windows and/or any interactions or sales to customers within vehicles are prohibited.

e. RMDs shall not be located inside a building containing residential dwelling units, including transient housing, group housing, hotels, motels, lodging houses, and/or dormitories.

f. An RMD shall not be sited within a radius of 500 feet from a school, daycare center, or any facility in which children commonly congregate. The 500 foot distance shall be measured in a straight line from the nearest point of the facility in question to the nearest point of the RMD.

g. Hours of Operation of RMDs shall be set by the Special Permit Granting Authority, but in no event shall an RMD be open to the public, performing deliveries, and/or otherwise operating between the hours of 8:00PM and 8:00AM.

h. There shall be no smoking, burning, or consumption of any product containing marijuana or marijuana-related products on the premises, including all buildings, accessory structures, parking lots or parking areas, walks and/or immediate surroundings located on the same lot/parcel as the RMD.

i. All RMDs shall be ventilated in such a manner that no pesticides, insecticides or other chemicals or products used in cultivation or processing are dispersed into the outside
atmosphere, and so that no odor from marijuana or its processing can be detected by a person with an unimpaired and otherwise normal sense of smell at the exterior of the RMD or at any adjoining use or property.

(2) Signage
   a. All signs associated with RMDs shall comply with 105 CMR 725.000 and Article VII, Signs, of this Zoning Ordinance.
   b. Signs shall only identify the establishment by its registered name.

   d. At every publically accessible entrance, there shall be at least one sign that includes the language “Registration card issued by the MA Department of Public Health required”. The required text shall be a minimum of two inches in height.
   e. Signs shall not be illuminated after closing. Neon and flashing signage is prohibited.

(3) Security
   a. RMDs shall provide the Melrose Police Department and Building Commissioner with the names, phone numbers, and email addresses of all management staff and key holders to whom one can provide notice if there are operating problems associated with the establishment and update that list whenever there is any change in management staff or key holders.
   b. Solid waste dumpsters or other waste containers shall be locked and enclosed by a screening enclosure so as not to be accessible to the public.
   c. Landscaping elements must be non-obtrusive. The placement of landscaping elements for the RMD must ensure landscaping elements including trees, bushes, and other foliage, do not allow for a person or persons to conceal themselves at night.
   d. The exterior grounds, including the parking lot and landscaped areas, shall be lighted in such a manner that all areas are clearly visible at all times during business hours.

D. Special Permit. For RMD Special Permits, the Planning Board is the Special Permit Granting Authority. b. The RMD is designed to minimize any adverse visual or economic impacts on abutters and other parties in interest;

c. The RMD meets all other applicable requirements of the Zoning Ordinance and the permitting requirements of all applicable agencies of the Commonwealth of Massachusetts and the City of Melrose, and will otherwise comply with all applicable state and local laws and regulations;
